

EUROVELO ROUTE INSPECTORS

List of Official Inspectors*

September 2025

EuroVelo Route Inspectors who took part in a EuroVelo Route Inspectors' training session since 2021, or who completed a Refresher Course, have been trained with the most updated version of the European Certification Training (ECS) methodology and app. They are qualified and certified to realise surveys with the ECS methodology and app.

Name	Country	Organisation	Contact	Training Year (+Refresher)

* Only those Official Route Inspectors who have requested to be displayed on www.pro.eurovelo.com are available here. If you want to update this information, to be added or removed, please contact f.gregoire@ecf.com or a.fournier@ecf.com. EuroVelo Route Inspectors remain on this list up to five years after completion of the training. After this period, taking a Refresher Course is needed to keep the EuroVelo Route Inspector title.
